

# Leaf Rubbing

Why not collect some dried fallen leaves as you walk around the grounds at Scolton Manor and use these to make a leaf-rubbing picture?

## You Will Need:

- Coloured crayons
- Plain paper

## How to Make a Leaf Rubbing

- 1) Look out for leaves that are all different shapes and sizes.
- 2) Place the leaf, with its bottom side facing upwards, underneath a piece of plain paper.
- 3) Rub the side of a crayon gently over the area of the leaf.
- 4) Build up your picture using different shaped leaves and coloured crayons.

**Or, why not try making a bark rubbing picture using the trees in our grounds?**
